

## Wedding Anniversary Form

- Congratulations on your wedding anniversary! To help us inform our readers of your event, we suggest using this form. Because of space limitations, it is the policy of the *Visitor* to print 50-year and up anniversaries at no charge. Other anniversaries may be placed at regular advertising rates. Please submit your information to us by the **Wednesday, (noon deadline)**, eight days before you wish the announcement to be published.
- Please send photo along with the form. A sharp, actual photograph must be submitted (no photocopies or computer printouts). Photo will be returned after the announcement is published.
- Information in the golden years column runs on a space available basis only and may be edited.
- If you have any questions, please call the *St. Cloud Visitor* (320-251-3022), and ask for Carol Jessen-Klixbull. **Thank you!**
